

# HANDKNIT GOLF CLUB COVERS

made by marni

*The number of stripes designates which club it is. I made three covers - for 1, 3 and 4 clubs.*

## materials and pattern info

**Yarn:** **Lion Brand Wool-Ease** (I chose Eggplant and Sienna). 2 skeins in the main color and 1 skein in the second color. You will have a lot of the second color left over.

**Notions:** Large pompon maker. I made one out of cardboard by tracing a large jar cover. [See DROPS technique tutorial video here.](#)

**Needles:** Size 8 US double pointed needles

**Gauge:**  
16 sts x 24 rows = 4x4 inch square on size 8 US needles.

**Abbreviations:**

K: Knit

P: Purl

## directions

Begin ribbing.

1. Cast on and evenly divide 36 stitches on 3 needles (12 sts per needle).
2. Proceed in a k2 p2 ribbing for about 9 or 10 inches.
3. On the last rib row you will increase by 9. I did this by making a stitch on the 2nd knit stitch of the pattern. So for example: K, K+1, P, P, K, K+1, P, P - all the way around = 45 sts.

Main body.

1. Continue in stockinette stitch through row 35. (Knit every row when you use double pointed needles). Follow the pattern below to add stripes:

Add stripes along the way:

For the #1 club (1 stripe of 2nd color)

Knit 2 rows in second color for 1 stripe on rows 18 & 19

For the #3 club (3 stripes)

Knit 2 rows in second color for 3 stripes on rows 12 & 13, 18 & 19, 24 & 25

For the #4 club (4 stripes)

Knit 2 rows in second color for 4 stripes on rows 6 & 7, 12 & 13, 18 & 19, 24 & 25

# HANDKNIT GOLF CLUB COVERS

made by marni

*OPTIONAL #5 & #7 clubs:*

For the #5 Club

For the #5 club (5 stripes)

Knit 2 rows in second color for 5 stripes on rows 10 & 11, 14 & 15, 18 & 19, 22 & 23, 26 & 27

For the #7 Club (7 stripes)

Knit 2 rows in second color for 7 stripes on rows 10 & 11, 13 & 14, 16 & 17, 19 & 20, 22 & 23, 25 & 26, 28 & 29

2. Row 36: K2 tog and repeat around = 23 sts.

3. Cut a long strand of yarn thread the needle and pull through all stitches. Weave in ends.

4. Make a large pompon and attach it to the top of the golf club cover with careful stitching.

Pompoms.

I used both colors in my pompons but you could choose to just use the second color. The instructions for making these can be found online. There are quite a few videos that show how to make pompons using your own cut out pieces of cardboard, which is what I did following this video: [DROPS Pompon Technique](#)
